## ***Pastor's Pen.....***

As of this writing, there are still another two months of summer to go before we arrive at the Autumn Equinox. Most of St. Paul's members are in their summer mode of travel, get-togethers, weeding the garden, and the like. And throughout all of it, the church is in that season of the Church Year known *(for lack of a better term)* as "Ordinary Time." The period that runs between Pentecost in June and Advent at the end of November, is when we hang the green-colored paraments on the altar and lectern and call it "Ordinary Time."

But there is something very holy about Ordinary Time. This is the longest season on the calendar of the Church Year and it is when the rubber meets the road. It may lack the hype and ornate splendor of Christmas and Easter, but Ordinary Time is when the base shows up. People who faithfully worship during Ordinary Time do so not because they don't have anywhere else to go, but because they believe that their prayers in Ordinary Time are just as valid as their prayers during the festive seasons. They value the gospel accounts of Jesus calming the storm or giving his Sermon on the Mount every bit as much as they do his Nativity or his Passion. A large portion of our members' lives are lived in Ordinary Time. In fact, a large portion of the church's life together takes place during Ordinary Time. In Ordinary Time, God is still present and at work in the world. More baptisms take place during Ordinary Time than at any other time of the year. It was during Ordinary Time when Billy Graham conducted most of his crusades. And it is during Ordinary Time when we have the most opportunities for spiritual growth. Granted, Ordinary Time may not be as fun as is Christmas, but "fun" isn't the goal of our faith. Rather, what *is* the goal is to ***".....come to the unity of the faith and the knowledge of the Son of God, to maturity, to the measure of the full stature of Christ"*** (Ephesians 4:13).

The base already knows this and so that is why they continue to unite their souls with Christ, and to do so in the regular company of God's people. Let us treasure, therefore, Ordinary Time for the sacred gift that it is! There is just something very, very special about the Ordinary!

*David*

Pastoral visitation is available to those who are hospitalized, temporarily laid up at home, or going through rehab at a facility. Because hospitals and other institutions do not notify the church when a patient is admitted, we need for you or your family member to notify us. We will be more than happy to accommodate your request for pastoral care. Please note also that the pastor may be reached for emergencies at (224) 386-6285 (cell phone).

Pastor David's procedure in visiting St. Paul's shut-ins, as well as, those members who have a difficult time getting to church is to offer support, bring Holy Communion (their option) and to let them know we journey together in worship. Pastor David understands that scheduling may depend on frequency of doctor's appointments or the church member's schedule. Visitation is always available, however, as the shut-in member's health and life situation may change and more extensive pastoral care is needed. Any church member or their family member desiring more frequent pastoral visitation, or to be placed on the visitation list in the first place should contact the church office at (847)-358-0399 to make arrangements.

*"Is anyone among you sick? Let him call for the elders of the church, and let them pray over him, anointing him with oil in the name of the Lord." (James 5:14)*

Do you have an idea, a question, a comment, or a concern that you would like for Pastor David to know about? You have a couple of options available to you.

First, you may speak directly with the pastor. Our pastor is here for ALL of St. Paul's members and he welcomes communication from ALL members. If you aren't comfortable in speaking directly with the pastor, however, then your second option is to go through the Pastoral Relations Committee.

Their purpose is to foster good relations between pastor and parish through open and thoughtful communication.

St. Paul's Pastoral Relations Committee members are: Debbie Everett (Chair); Tom Donat, Jim Frost, and Bob Kolze.

If there is a joy, concern, or need,  
please contact  
Debbie Brennan and/or  
Pastor David at the church  
office.

If there is no answer, please leave a  
message & phone number where  
you can be reached, and one of us  
will  
return your call.  
*Thank you...*

Our Parking Lot Fundraiser brought in \$5,100 to help pay for the maintenance of the parking lot which costs approx. \$4,500.

A HUGE thank you to all that helped out, ran this fundraiser, and helped set it up!!  
YOU are all AMAZING, and we appreciate you!!

We will start planning this event sooner next year, and along with the feedback and notes that were taken during this years event, there will be some changes made to the fundraiser for next year.

If anyone is interested in being a part of this committee next year please let us know.

Shay, Jackie, Gary and Chuck did an awesome job, but we will need to get a strong committee again next year.

## **29-Year-Old Woman's Friendship with 97-Year-Old Woman Began with a Ride and Wendy's Meal**

**"I'm so grateful for our friendship," Lilian, 97, tells Estrella, 29.**

**In June, 29-year-old Miami, Florida resident Estrella Quiroz was driving to pick up lunch when she noticed an elderly woman walking slowly down the street and decided to approach her to see if she needed assistance.**

**That woman turned out to be Lilian, a 97-year-old retiree. The pair became fast friends .**

**"I'm driving and I saw this really old lady, like, walking across the street," Quiroz says at the start of her video posted to both Instagram and TikTok. "She was so slow and she had a little walker. I looped back around to see if I can find her."**

**Quiroz drives around searching for the woman, then spots the retiree waiting at a bus stop. She offers her a ride, and Lilian cautiously accepts her offer.**

**Lilian asks why she's helping her for free and Quiroz says she reminds her of her "abuelita."**

**Chatting, the pair learn more about each other, which includes a lovely coincidence: Lilian was born in Leon, Nicaragua and so was Quiroz's dad.**

**Then, after Quiroz offers to buy her lunch at Wendy's, Lilian says she used to be an accountant but now lives alone on government assistance.**

**Quiroz and her new honorary grandmother finally eat lunch together outside of Lilian's home, where they cement their bond.**

**"I'm so grateful for our friendship," Lilian says in Spanish. "May God bless us and make us friends."**

**God bless you! We can decrease loneliness with small acts of kindness**

**"I know that I was a stranger approaching her ... I'm really glad that she could trust me in that moment," Quiroz tells TODAY.com. "It was very sincere."**

**"Honestly, I actually was inspired by these small acts of kindness by my own uncle," Quiroz says. "He's very poor in Nicaragua, but I was with him one day, and I noticed that he stopped and started talking to a homeless person for 10 minutes and literally gave him nothing — no food, no nothing."**

**Quiroz says this act of care didn't require any cash — just time — which made the energy shift in the person.**

**"I think sometimes it's so easy to see people as almost not human ... life is already so hard for them," Quiroz says. "So, sometimes we don't even need to buy anything. Words can be so powerful in itself."**

Thank you to everyone who helped create the blankets for the center on July 19th.  
We hope to get more volunteers for August!

**Community Outreach and TPIRC are excited to announce a new ministry here at St Paul:** On October 30<sup>th</sup> 2024 Shelter Inc announced the groundbreaking of a home for children who have survived human trafficking. This home will have 12 rooms for girls ages 12-18 and they are hoping to have it open late summer or early fall.

This was made know to us through Palatine Faith in Action which Melissa Gumm attends for us. It was then shared at TPIRC, Spiritual Life and Community Outreach, where we came up with the idea to make fleece tie blankets for the girls coming in. Fabric has been purchased through the Wachs Fund and we are ready to begin!

Please join us for this opportunity to mission and have fellowship.

**Saturday, August 16th  
from 10:00 a.m. to 12:00 p.m.**

What will be required is to cut the corners using a template already prepared, cut short strips along all sides of the blanket and tie these strips to secure the front panel to the back panel of fabrics. **The cutting and tying may be done while sitting.** If you have fabric scissors to cut, please bring yours. Otherwise we will have some scissors available.

**There is no need to sign up.** Please feel free to bring a friend as well.

We hope you will consider joining us! Community Outreach and TPIRC team
